REMARKS

This amendment after final Office action is being submitted to place claims 12 and 19 in better form for consideration on appeal. A Notice of Appeal was submitted in the above-identified patent application on February 29, 2008. An Appeal Brief has not yet been filed.

Entry of this amendment after final, is requested on the grounds that it places the claims in better form for consideration on appeal by correcting a typographical error in claim 1 by correcting "(c)" of the second subparagraph to "(b)" to be in proper outline form. Claim 19 is amended to correct the antecedent basis by replacing "(c)" with "(a)". Since the amendments to claims 12 and 19 presented herewith are nonsubstantive and are merely to correct formal editorial typographical errors, entry after final action is appropriate.

In view of the foregoing, allowance of the above-referenced application is respectfully requested.

Respectfully submitted,
